Paperwork doesn't stand a chance.

BambooHR is an online HR database that gives you easy access to your employee records and relieves paperwork headaches for businesses like yours.

Centralize Employee Data

BambooHR centralizes your employee data, so you can control, sort, and analyze it from anywhere. You have instant access to employee records, documents, benefit info, hiring checklists and more.

Streamline Reporting

BambooHR reports are easy to read and allow you to make well-informed, strategic decisions. Plus, our intuitive drag and drop report builder and fancy filtering allow you to customize reports in a snap.

Save Time & Money

BambooHR is remarkably affordable. It magically eliminates hours of busywork, so you can concentrate on what you do best: finding, hiring, and retaining the best talent for your organization.

Customize Your Experience

Want to track shirt sizes? No problem! How about stock options? Yep! Secondary language? Piece of cake. A core strength of BambooHR is its natural customization capability.

Access Your Data Anywhere

Free yourself from the limitations of file cabinets and office servers. With BambooHR, your information is accessible online, anytime. You can work at the office, on the road, or at home.

Keep Your Information Safe

We take the security of your data and reliability of our system seriously. Our software was built using best practices in web application security, including 256-bit SSL encryption and automatic daily backups.

Get Started Instantly

Get started by calling 1.866.387.9595 or visiting BambooHR.com. There's nothing to install, no hardware to purchase, no long-term contracts, and you can cancel at anytime.

"By finding Bamboo, we've not only solved a lot of our challenges with HR, but we did it with a third of the resources...It works whether you have one employee or thousands of employees."

Jeremy Hanks
CEO of Doba

"I ask BambooHR questions all the time and they are always very responsive and timely. They are able to talk with me and help me understand things that are unique to my situation. They are always available and ready to help make my life easier."

Caroline Kim
HR Manager at Stacy and Witbeck, Inc.

"It's helped a lot to not be bogged down all the time with the paperwork and the busyness of being in human resources. Instead of spending all my time behind a desk filing...I can spend the time meeting people's needs."

Cami Daniels
HR Generalist at Prosper
