15Five, the #1 performance management software for small and mid-size businesses and BambooHR, the #1 HRIS for SMBs, integrate to help companies conveniently manage the complete employee experience.

This integration syncs your employee databases so that HR & business leaders can seamlessly run applicant tracking and employee onboarding, and manage quarterly OKR tracking, employee feedback, performance reviews, and weekly one-on-one meetings, all with the most current information.

15Five is a lightweight performance management software that helps managers check-in with employees every week via a short survey and automated 1-on-1 meeting agendas. Managers who use 15Five also can easily setup and monitor quarterly objectives for their teams and individual employees, and help employees grow with quarterly Best-Self Reviews.

## The BambooHR + 15Five in minutes.

In a few simple steps inside the 15Five application, an administrative user can link the two accounts and import the company's employees and management structure into 15Five. The synced fields you can import include: name, title, email, employee ID, location, reviewer email, and group (department in BambooHR).

Your management hierarchy will automatically be setup in 15Five, and you can sync your employee data manually or have 15Five do this for you. BambooHR is a best-in-class software provider powering the strategic evolution of HR in SMBs. It's the central repository of every employee's HR data, customizable to fit the particular need of each company.

HR Software can be complicated, siloed, and expensive. Use 15Five and BambooHR together for a simple and affordable solution to manage the most valuable aspect of your business -- your employees.

## 15Five

15Five is a fundamentally new way for businesses to maximize their talent by creating a culture of feedback. Through a lightweight weekly check-in, 15Five delivers a full suite of integrated tools - including continuous employee feedback, objective tracking (OKRs), performance reviews, 1-on-1s, and peer recognition.

15Five is now fully integrated with BambooHR. To learn more, visit **www.15Five.com** or contact **sales@15Five.com**.
