

Compliance Training Made Easy

Deliver high-quality workplace training that keeps your teams compliant and audit-ready, without juggling multiple platforms.

INTERACTIVE, REAL-LIFE MODULES

Real-life scenarios, interactive videos, and quizzes keep teams engaged and compliant.

BUILT FOR YOUR INDUSTRY

Courses tailored for healthcare, retail, tech, and more.

ACCESSIBLE AND EASY

Courses include English and Spanish audio plus subtitles in 11 languages, giving every employee confidence in learning.

DESIGNED FOR EVERY EMPLOYEE

Avoid penalties and reduce workplace risk with role-specific training that meets today's regulations, and adapts to tomorrow's.

Training that protects your people and your business.

ASSIGN TRAINING IN SECONDS

Automate compliance and scale without stress. Assign courses by role, department, or location, and let BambooHR handle reminders, recurring training, and bulk assignments.

STAY AUDIT-READY

Track real-time completion rates and download reports in a click, so you're ready to demonstrate compliance whenever you need to.

CUSTOMIZE FOR RELEVANCE

Complement EasyLlama's expert-built courses with your customized training. Add PDFs, documents, and company policies to align learning with your organization's unique needs.

FLEXIBLE AND SELF-PACED

Bite-sized, self-paced modules help employees fit training into their busy schedules. Plus, completion certificates are included!

Core	Pro	Elite
1 Training	15 Trainings	300+ Trainings
