

BambooHR Integrations:

Packaged where it makes sense, custom where it doesn't.

Connex Digital builds and supports BambooHR integrations with the payroll, accounting, and HR systems your business already runs. Packaged integrations come with published setup and monthly pricing. Custom integrations come with a written quote within 24 hours. Every build is delivered by senior consultants on recorded Zoom sessions — no offshore handoffs, no black-box delivery.

Packaged BambooHR Integrations

PandaSync-ADP — BambooHR ↔ ADP

BambooHR → ADP (1-way): \$1,500 setup + \$5/EE + **\$2.00 PEPM**

ADP ↔ BambooHR (2-way): \$1,500 setup + \$5/EE + **\$2.50 PEPM**
