

The ultimate employee management solution.

## Deputy offers you the best technology in a web-based solution.

Deputy simplifies your scheduling, timesheets, tasking, employee communication, and administrative tasks. With brilliant apps and one-click payroll integration, we make your life easier.

## Spend more time working on your business and not in it.

### Scheduling

Create fully costed employee schedules in no time. Notify everyone with just one click and seamlessly export to payroll software.

### Time Clock

Easily capture when and where your people work for greater HR compliance, payroll accuracy, and insight into workforce productivity.

### Communication

Give your staff an easy way to stay informed, share important messages, and contribute to the workplace conversation via their mobile devices.

### Integration

Integrate with your POS data to optimize scheduling. Connect with all leading payroll providers to create a truly connected business.

### Tasking

Create and assign tasks to your staff. You'll even get notified when they're done.

### Mobile

With applications for Android, iPad, iPhone, and Apple Watch, it's easy to manage your workforce from any location.

## Create optimized employee schedules in minutes.

Full visibility of your employee stress levels, their qualifications, allocated shifts, and labor costs. Send a message to available employees in seconds to find a replacement without disrupting your whole day.

## Streamline your processes.

Deputy integrates with all major payroll and POS solutions - automatically import or export data once, and avoid double handling.

## Track time and attendance with geo-location and face detection technology.

Minimize time theft and stay in-control of your business even from home. Our Find a Replacement feature allows you to cover shifts in minutes.

## Communicate with instant messaging and keep your team aligned.

Track compliance with individual tasks, record performance with journals, and view real-time announcements across all your devices.

## Stay in control with real-time business intelligence.

Multiple reports available, automatically generated with no customization required.

"Our admin time for payroll is one fifth of what it used to be, and with more accuracy!"

**Brendon Ford, Manager,**  
Rashay's

"My time building schedules has been cut to a fraction, and it is so straightforward to use."

**Gary Deakes, Owner,**  
Marina Ice Creamery

"Schedules are so easy to produce, but even more importantly, our staff love it."

**Andrew Bunn, CEO,**  
PHO24
