What can you do with BambooHR® + Greenhouse?

Automatically sync new hire data once employment begins.

Ensure accurate candidate-to-employee records across systems.

Reduce duplicate data entry and speed up onboarding.

Efficient recruiting, hiring & onboarding

AUTOMATED CANDIDATE CONVERSION & DATA SYNC

When a candidate becomes an employee, Greenhouse pushes the profile and employment data into BambooHR—eliminating manual data entry and ensuring you start HR, payroll, and benefits processes with clean, accurate data.

FASTER TIME-TO-PRODUCTIVITY & ONBOARDING

New team members are immediately active in BambooHR, giving them access to benefits enrollment, pay, and other key employee info.

ACCURATE CANDIDATE & EMPLOYEE RECORDS

With this integration, you maintain a consistent record from applicant to employee. This continuity improves recordkeeping, reporting, and reduces risk of data discrepancies across recruiting and HR systems.
