

Go beyond posting. Reach more qualified candidates.

With ZipRecruiter Sponsorship in BambooHR, you'll increase the visibility of your open roles while AI-powered matching actively finds qualified candidates and invites them to apply. Applicants flow right back into BambooHR, so everything stays in one hiring workflow.

Nearly 8x more applicants

Sponsored jobs receive nearly 8x more applicants than organic jobs.*

1 Better candidates

Give your open roles prioritized visibility on ZipRecruiter and distribute them across 100+ job boards with one click.

3 Keep hiring in one workflow

You can sponsor jobs directly within BambooHR, and applicants flow back into your applicant tracking system, so your team can continue reviewing and managing candidates in one place.

2 Find qualified candidates

AI-powered matching actively identifies qualified candidates and invites them to apply to your jobs, helping you connect with the right people faster.

4 Stay flexible

Daily usage pricing • No commitment • Pause anytime

New to sponsored jobs? Start with \$100 on us.

Get a \$100 credit the first time your company sponsors a job through ZipRecruiter.

Getting started is easy

1

Post your job

Post your job to ZipRecruiter from BambooHR for free.

2

Choose "Sponsor Job"

Click the **Sponsor Job** button when you're ready to reach more candidates.

3

Set up your account

Sign up or verify your ZipRecruiter account and confirm your details.

4

Start sponsoring

Confirm the job you want to sponsor and start your campaign.
